

Meeting of Barton Parish Council
to be held on Wednesday 24th January 2018
7.30pm Barton St Lawrence Primary School

AGENDA

1 Apologies for non-attendance

2 Approval of the Minutes of Barton Parish Council Meeting held on 22nd November 2017

3 Declaration of personal and prejudicial interests - Members are reminded of their responsibility to declare any personal / prejudicial or disclosable pecuniary interest in respect of matters contained in this agenda. If the personal interest is a prejudicial interest or there is a disclosable pecuniary interest, then the individual member should not participate in a discussion or vote on the matter.

4 Public Participation - The meeting may be adjourned at this point to listen to any representations from the public, police, or community groups wishing to bring matters to the attention of the Council. If individuals wish to speak on an Agenda item this is the time when it should be done. This will be a time limited session up to 20 minutes which can be extended at the discretion of the Chair.

5 Matters Arising

- MT is still gathering quotes for a raised bed at the entrance to the village and will report back at the next meeting.
- Blue Plaque on the Boars head...should perhaps be brought up at the next neighbourhood plan meeting where Catherine Lund-Barker is present
- Some Parish Councillors had sent through some possible projects for CIL monies to be spent on along with some proposed jobs for a parish lengthsman. This will be considered further once PCC confirms what the parish precept will be going forward. Suggest this moves to the next meeting to be discussed in more details alongside other projects proposed for the village.

6 Financial Report & Accounts for payment

- Barton Grange Grass verge maintenance

£3774 for grounds maintenance in 2017

- Best Kept Village Competition fee

Do Barton Parish Council wish to enter again this year? Would we be best leaving it until the precept is confirmed and we know that we can put ourselves forward in a good light ? It would be £25.

- Fields in Trust legal and registration fee

£440 plus vat...ive instructed Preston City Council to go ahead with the registration as per councillors agreement.

To remind everyone again:

PCC would continue to own the site

PCC will continue to maintain the land and equipment

PCC will continue to insure the site

No assets will be transferred through the process

The registration puts the field in the protection of trustees who will work hard to protect it and will assist in sourcing funding to develop the field going forward.

7 Planning Applications & planning issues
