12 NEIGHBOURHOOD PLAN UPDATE

The Barton Neighbourhood Plan will be presented to Cabinet for discussion on Wednesday 16th August 2017. If approved the Parish council can proceed to the next stage which will involve consulting with parishioners and businesses. An update will be provided at the next meeting.

13 PRESTON CITY COUNCIL GREENSPACES CONTRIBUTION

The clerk informed Councillors that Preston City Council had written to the Parish Council to ask for a contribution towards the maintenance of green spaces within the borough. The contribution requested from Barton IS £1449.

Councillors agreed that should Barton Parish Council choose to accept the request and make the contribution that the precept would need to rise in order to cover this.

It was also reported at this stage that Wainhomes have requested permission from Preston City Council to access Station Lane Playing Fields via a new path that would

be constructed. Barton Parish Council are unhappy with this request especially if an increase in liability for the playing fields is accepted in the future.

14 Parish Plan Presentation (Village Maintenance)

Cllr G Jolliffe expressed his disappointment at how the village looks in comparison to other villages in particular Bilsborrow which looked exceptional this year after receiving a grant towards planting for the village in bloom competition.

It was agreed that Barton needs to look critically at what it wants and develop a plan for this.

15 Parish Lengthsmen Scheme information report and discussion items

Broughton Parish Council had approached Barton Parish Council about the possibility of running a shared parish lengthsman scheme across both parishes. Barton Parish Council discussed the benefits of having a parish lengthsman and it was agreed in principle to go forward with a scheme subject to discussions with Broughton Parish Council about the detail.

- **Traffic Calming Measures off Jepps Lane**

The Chair let the meeting know that an officer had now been assigned to deal with the issue of the speed bumps on Jepps following concerns expressed by parishioners that the speed bumps were excessive and could potentially cause harm to vehicles.
